

Challenge #1: Goal

Website Plan for Black Pink Fan Hub:

1. Homepage:

- Welcome message and brief introduction to Black Pink.
- Links to the main sections of the website.

2. Music Videos:

- Black Pink music videos.
- can watch and listen to blackpink's Songs

3. Members:

- Individual column for each Black Pink member.
- their real names, where they were born and date they debuted

4. Image Gallery:

- High-quality photo gallery featuring the members.
- Sections for official photoshoots, live performances, and candid shots.

5. Social Media accounts:

- Live feed of Black Pink's official social media accounts.
- Links to their Instagram, Twitter, and other platforms.

Goals:

1. Engagement: Foster an active community where fans can share their passion for Black Pink.
2. Comprehensive Content: Provide a one-stop hub for all things Black Pink, from music videos to member details.
3. Social Media Presence: Act as a bridge between the website and Black Pink's official social media, enhancing the fan experience.
4. Regular Updates: Keep the content fresh and relevant by updating news, photos, and member information regularly.
